### **A MESSAGE FROM OUR PRESIDENT**

The year ahead is filled with many new and interesting programs and events. The list of these programs and events can always be found on our web site. The web site is easy to understand and well maintained, thanks to Kelly Hall. She is only one of the many volunteers needed to make the Society function smoothly.

There is Spence Sorenson who said "yes" to organizing the Vendors Day in April. Mike Schmitt is handling the auction (anyone know an auctioneer?) and Martha Lafata will take care of the Holiday Party in December. Rick Clarkson has the 2012 Club Plant Sale well in hand and Jean Hudson will work on next year's sale.

Of course, there are the people at every meeting who do things we take for granted. Those cookies and snacks that Barb Moreland puts together; the name tags placed on the table in alphabetical order by Jim Weidman and Catherine Mayer; the photos taken by Phil Brammer; and the new member packets set in place by Jo Ann Rawson.

Behind the scenes are Dave Poos getting the speakers; Kelly Hall preparing the minutes of all our meetings; Cindy Michniok collecting dues, paying the bills and making sure everyone knows we have a new member; Rose Hall calling new members to welcome them and encourage them to come to the meetings; and Joan Poos who continues to do an outstanding job as newsletter editor, which you can find on the web site as well.

As some politician said, "It takes a village".

Remember to say "thank you" to these folks because we are all the recipients of their willingness to give to the Society.

*Phyllis*

### **March 18** **“The Elements of Shade Gardening”** **Presented by Bruce Buehrig**

Bruce Buehrig, a co-founder of our St. Louis Hosta Society, has taught classes in hosta culture at the Missouri Botanical Garden and regularly speaks at local nurseries and garden clubs about shade gardening. His own exquisite garden has served as a tour destination for the national daffodil, Japanese iris, daylily and hosta conventions.

Bruce and his wife Chick garden on a shaded two-acre hillside. In creating different venues in his vast garden, Bruce has discovered many common and unusual perennials, bulbs, conifers, and trees that thrive in his shady St. Louis garden. Bruce's presentation describes the many types of shade as well as particular plants and natural features that can be used to enhance a dark area's hidden beauty. Don't miss this peek at one of St. Louis' finest gardens.

## **Stay tuned!**

**Please note!** The member auction has been moved to July 22 to avoid a conflict with the Midwest Regional Hosta Convention. Same place, same time.

**Save the date!** An overnight bus trip is being planned for August 4-5 to Champaign Illinois. If you remember, the Illinois Prairie Hosta Society paid us a visit last year, so this summer we are headed to their home turf. Details will be forthcoming.

**Garden Walks!** Several members have volunteered to host garden walks. One, in the garden of Chick and Bruce Buehrig, has already been scheduled for June 23. Watch your newsletters for others as dates are finalized.

**WOW Hostas!** What are they? You'll have to wait until your May newsletter.

**Have your garden gloves and hats handy!** June 2 is our annual work day in the hosta beds at the Missouri Botanical Garden.

## **Welcome new member!**

The Society is delighted to welcome our first new member for 2012:

**Mary Ann Hatlelid of Webster Groves**

Look for her at future meetings and give her a big smile and hearty welcome. There are lots of exciting events and speakers scheduled this year. We hope our new member and all our old friends will join in the fun.

## **Hosta Finder 2012 Available**

This spiral-bound reference book contains the retail listings of over 40 hosta growers. The 3,700+ listings include hosta name, Originator/Namer/Introducer/Registrant, size, leaf color, flower color and price. The cost per book is \$14. Please contact our treasurer to purchase a copy:

## **Be an active part of our village!**

Many members have stepped forward to help with both the month-to-month activities and the special events of our hosta society. Join in the fun and give these people a helping hand. It often only takes a bit of thought or a few minutes of your time.

Linda VanDeven is assisting Barb Moreland, our Hospitality Chair. If you arrive a few minutes early, help Barb and Linda carry in supplies and set up the table. Offer to bring some cookies. Grab a paper towel and clean off the table before you walk out the door.

Spence Sorenson is chair of the April Vendor Day. Come a bit early or stay a few minutes late to help vendors carry in merchandise, set up their displays, then cleanup.

Mike Schmitt is Member Auction chair. Mike's looking for an auctioneer or two. If you're not glib of tongue, then help carry in plants, arrange them in alphabetical order, look up prices and descriptions, distribute plants and of course the always necessary clean up.

Phyllis Weidman is chairing our plant sale at the Missouri Botanical Garden. Lots of volunteers are needed to make this fundraiser a success.

Martha Lafata is chairing the Holiday Party, assisted by Karen Frimel. If you have any ideas about different caterers or entertainment, pass on your suggestions to them.

Jim Weidman and Catherine Mayer are keepers of our name tags. Give them a hand by remembering to turn yours back in after the meetings.

Phil Brammer will be taking pictures at our events. Give him a big smile when he points his camera at you.

Rose Hall has volunteered to call new members and remind them of upcoming meetings and events.

JoAnn Rawson will be in charge of new member packets.

Rick Clarkson has handled the member plant sale for the past several years. Jean Hudson has volunteered to give him a break and take over this task in 2013.

Joan Poos continues as your newsletter editor. Give her a hand by writing a newsletter article or send her suggestions for topics you would like to see covered in the newsletter.

And of course the officers are always looking for suggestions to improve your society. Let Vice President Dave Poos know about possible speakers or topics. Help Treasurer Cindy Michniok keep track of sales during the member auction. Kelly Hall, Secretary and Web Master, is always open to suggestions for improving the Web site.

Lastly, but most importantly, say "yes I can" whenever President Phyllis Weidman calls.

**First stop is check in. Treasurer Cindy Michniok greets Shirley Suntrup while Jim Weidman hands Jean Hudson her name tag.**

**Joan Hummel cuts a delicious fruit pizza as Joan Clarkson and Nancy Tempel ask about the recipe. The food table is taking on color as more side dishes arrive.**

**Roving photographer Phil Brammer greets arriving members.**

**Members catch up on the winter activities of their hosta friends. The room is soon filled with the sound of laughter, talk of the possible effects of the mild winter and oft voiced hopes that Mother Nature is not planning spring surprises.**

**President Phyllis Weidman describes the coming year's scheduled events.**

## **Potluck Lunch 2012**

### **What better way to begin a new gardening year!**

There were trays of sandwiches – roast beef, turkey and chicken salad. The choices were many and varied. There were colorful fruit salads – deep red cherry, warm yellow baked pineapple and a cheery pizza. We got our veggies too – delicious broccoli, creamy peas and of course potatoes. The dessert table was also loaded. Many sampler plates were seen piled with lemon cake, chocolate brownies, apple strudel and cookies. No one left hungry.

As our food began to digest and the chatter died down, President Phyllis Weidman outlined the events planned for the upcoming year. There will be our normal events, plus several garden walks, at least three interesting speakers and an over-night bus tour.

The afternoon concluded with a slide show put together by Phyllis and Jim Weidman featuring the gardens they toured during the 2011 AHS National Convention in Marlborough, Mass. The size and beauty of the hostas were stunning. It's hard to envision nurseries that stock hundreds of different hosta cultivars. Attendance at a National or Regional Convention is a wonderful way to spend a vacation, giving a unique opportunity to view some of the best gardens in the land.
